Don't miss your chance to present in the **HOT MIC** session! Just drop your business card in our raffle box when you sign-in then 5 names will then be drawn at random. For more information contact [mdcswanson@gmail.com](mailto:mdcswanson@gmail.com)

---

**Come and see two local companies present their innovative solutions**

Helidyne LLC has developed a positive displacement rotary TFC expander for use in geothermal power generation applications.

Helidyne will discuss how their technologies can be used in the geothermal markets and other sectors.

Global Inspection Solutions will discuss how their systems get real parts into digital 3D along with new scanning technologies used to identify manufacturing defects.

**GLOBAL INSPECTION SOLUTIONS**
